FRIENDS OF THE MUSEUM MEETING: There will be no Friends meeting in April, but as all of you should know, everyone is always welcome to call or stop by the museum with any questions or let us know any ideas you may have.

EXHIBITS: Our current exhibit is titled *That's My J-Town!* and features documents and artifacts related to various clubs and organizations that have helped -- and continue to help -- make Jeffersontown the wonderful city that it is.

Our next exhibit, set for July 1 - December 19 will be titled *Jeffersontown in the 1920s*, and will, of course, feature artifacts and local photos from that era. If you have any items from that time period you would like to loan or donate for the exhibit, please let us know by mid-June.

WEB SITE: We are currently in the process organizing data so that everyone can visit our city web site to access information on burials in the Jeffersontown, Lutheran, and German Reformed Presbyterian Cemeteries. We will let you know as soon as that is completed.

DONATIONS: Sherrill Wimsatt donated a WWII uniform, cap, topcoat, and book that belonged to her uncle, John Joseph Gilmore. Tyler Taylor donated a couple of baby dresses, a crocheted sweater, a photo that may be CF Bryan, and tin photos of Margaret Bosley Calhoun and John Ralph Calhoun (if any of these names sound familiar, please let us know, because Tyler is not sure who exactly the people are). Linda Swan Wieland donated a postcard (*pictured below*) of the original Jeffersontown schoolhouse from 1911, which stood on Water Street (*now College Drive*).
